Information sharing

We may need to disclose Personal Information to our affiliates, service providers and business partners solely for the purpose of providing Activity Management System OnDemand to you. Please be aware that laws in various jurisdictions in which we operate may obligate us to disclose user information and the contents of your user account to the local law enforcement authorities under a legal process or an enforceable government request. In addition, we may also disclose Personal Information and contents of your user account to law enforcement authorities if such disclosure is determined to be necessary by

RosComputing in our sole and absolute discretion for protecting the safety of our users, employees, or the general public.

Information security

We take steps to ensure that your information is treated securely and in accordance with this Privacy Policy. Unfortunately, the Internet cannot be guaranteed to be 100% secure, and we cannot ensure or warrant the security of any information you provide to us. We do not accept liability for unintentional disclosure.

By using Activity Management System OnDemand or providing Personal Information to us, you agree that we may communicate with you electronically regarding security, privacy, and administrative issues relating to your use of Activity Management System OnDemand. If we learn of a security system's breach, we may attempt to notify you electronically by posting a notice on Activity Management System OnDemand or sending an email to you. You may have a legal right to receive this notice in writing.

Activity Management System OnDemand Information Use

Internal and Service-Related Usage. We use Personal Information for internal and service-related purposes only. There are very limited circumstances in which we may provide it to third parties to allow us to facilitate Activity Management System OnDemand.

To Improve Activity Management System OnDemand. We may use any information you provide to:

- Provide customer support;
- Track the types of questions we receive;
- Analyze trends;
- Personalize your experience;
- Operate and enhance Activity Management System OnDemand.

Communications

We may send you a welcome email to verify your account and other transactional emails for operational purposes, such as billing, account management, or system maintenance. You may only stop those emails by terminating your account. We may also send you promotions, product announcements, surveys, newsletters, developer updates, product evaluations, and event information or other marketing or commercial e-mails. You can opt out of receiving these email communications from RosComputing at any time by writing e-mail to us.

Marketing

We do not rent, sell, or share Personal Information about you with other people or nonaffiliated companies for marketing purposes without your permission. We may use and share Non-Personal Information for our marketing purposes.

Aggregate Data

RosComputing may anonymize and aggregate data collected through Activity Management System OnDemand and use it for any purpose, including for research and reporting usage.

Update and delete your information

You may update or remove some of your information using Activity Management System OnDemand or by sending us your request to support@roscomputing.com.

Changes

Any changes to the Privacy Policy Statement will be posted on our website in order to keep you informed of any changes in nature of information collected, manner of collection, use and sharing of information. If you are concerned about how your Personal Information is used, you should check back to our privacy policy page periodically.

End of privacy policy

If you have any questions or concerns regarding this Privacy Policy, please contact us at privacy@roscomputing.com. We will respond to all inquiries within 30 days of receipt after ascertaining your identity.
